

So you want to fly for a living.

The honest guide, built by an active legacy-airline captain. Everything on the site is free; paid calls fund it.

PICK YOUR DOOR

I'm considering becoming a pilot

The whole path, what it costs, the honest risks, and the free syllabus to begin with.

pilotcareersolutions.com/captains-guide

I'm changing careers

Your current career against a pilot career, year by year: lost income, training cost, the crossover point.

pilotcareersolutions.com/career-change-to-pilot

I want to understand the money

Real 2026 pay from the contracts, a paycheck calculator, and a lifetime-earnings simulator.

pilotcareersolutions.com/airline-pilot-salary

I'm already a pilot

From 250 to 1,500 hours: how hiring actually works, flow programs, and what to ask a captain.

pilotcareersolutions.com/build-flight-hours

FREE, NO SIGN-UP

- The Private Pilot Syllabus and the fillable Workbook — a lesson sheet for every one of the 38 lessons
- Flight-school checklist: the questions to ask before you hand anyone a deposit
- Cessna 172 performance calculator, paycheck calculator, lifetime-earnings simulator
- Learn to fly at home: the syllabus flown first on a home simulator, with the setup for Microsoft Flight Simulator 2024
- Every number labeled with its source and the date it was last verified

TALK TO A CAPTAIN

A 30-minute call with an airline captain about your situation — school choice, the money, the timeline. Book at pilotcareersolutions.com/call

Not a school, not a recruiter. No school or airline pays us anything; the free materials are funded by paid calls.
